### **200 students to become champions for Oshawa's Healthy Kids Community Challenge**

OSHAWA – Members of the media are invited to the “Water Does Wonders!” school conference where 200 elementary students and 40 teachers will become champions for Oshawa’s Healthy Kids Community Challenge.

Five student leaders and one champion teacher from each of Oshawa’s elementary schools will participate in the “Water Does Wonders!” school conference and learn about the benefits of water and the community-wide pledge to be launched in December. Student leaders will develop presentations and programs to bring back to their schools.

This Water Does Wonders! school conference is made possible through Oshawa’s Healthy Kids Community Challenge and partnerships with Durham Catholic District School Board, Durham District School Board and Durham Region Health Department.
