Oshawa Public Libraries is getting ready to wrap up another successful year of the TD Summer Reading Club.

This year, all children who participated in the TD Summer Reading Club are invited to attend a fun-filled, end of summer event!

Oshawa Public Libraries are excited to host a big celebration for all participants and their families at Lakeview Park, on August 24th, between 1 pm and 3 pm. The celebration will include plenty of crafts, games, a live performance by a magician and much more! Children who participated in the TD Summer Reading Club are encouraged to bring their official reading journals with their tracked minutes. They will also be congratulated with a special certificate to acknowledge their great accomplishments.

This year the Oshawa Public Libraries annual Summer Reading Club set a challenge to read 200,000 minutes, this was reached after the first month of summer, breaking records from 2015. These accomplishments will be celebrated at Lakeview Park on August 24, 2016.

To make this family event even more special, we invite all participants to bring their lunches and have a picnic in the park while they enjoy the festivities as there will be no refreshments provided.
